RE: United State of America v. Anthony Morrison
Case No. 14-CR-00116 (JNE/JJG)

Dear Ms. Heino:

Please be advised the above-entitled Defendant hereby objects to the probation office calculation of Mr. Morrison being a career offender. Although the three predicate offenses are titled as crimes which would at first blush qualify him as a career offender, further review of the facts therein establish that he was resisting arrest and the drug offenses are simple possessions.

I should also indicate that I acknowledge receipt of the police reports received by your office outlining the facts in the above-entitled matter. Counsel for the above-entitled Defendant is still waiting for further documentation from Cook County regarding the predicate offenses.

Respectfully submitted,

s/Craig E. Cascarano
